

## Private Room/Athletic Field Rentals and Picnic Shelter Reservations

**Lakewood facilities are available for special events, banquets, family gatherings and business meetings.**

Lakewood's parks and community centers offer indoor rooms for rent. Rental fees include tables, chairs and other amenities. Soccer fields and premier softball fields such as Mayfair's Lisa Fernandez Field provide an opportunity for sports competition and recreation fun. Picnic shelters are also available for private use by Lakewood residents for small outdoor gatherings.

There are hourly charges for room rentals and athletic fields. Lakewood residents and community based groups can reserve picnic shelters for special outdoor gatherings at no cost. Reservations are accepted two months in advance at the park where each picnic shelter resides.

It's easy to request Lakewood's community centers and park facilities for private use.
