1.1 • SALE OF ALCOHOLIC BEVERAGES

Community Development Director Sonia Southwell displayed slides and made a presentation based on the memo in the agenda. She reported that the proposed ordinance dealt with three different aspects of alcoholic beverage sales. The first was the sale of alcoholic beverages for off-site consumption from locations less than 6,500 square feet in area. This topic, which had been the subject of a moratorium, had first come before the City Council in October, 2012, with concerns of an undue concentration of such uses and the location of said uses in close proximity to high schools. She reviewed the data on such uses by census tract, as measured by the California Department of Alcoholic Beverage Control (ABC), noting that only two of Lakewood's 19 census tracts were not currently at or over capacity. She advised that the proposed ordinance would prohibit the issuance of a Conditional Use Permit for an off-sale license under the subject description where there were already two or more such licenses within a 300-foot radius, and provide discretion where, even though outside the specified 300 feet, the proposed use would contribute to over saturation of a census tract. The second area addressed by the ordinance was for on-site consumption of alcoholic beverages in conjunction with manufacturing uses. She reported that there was one Type 23 license in the City for a small beer manufacturer. The proposed ordinance would allow the manufacturer to offer on-site consumption for beverages manufactured on the premises, provided they have a license from ABC that allows for on-site tasting as an ancillary use. The final area addressed by the proposed ordinance would adjust language in the Municipal Code relating to on-sale licenses in the C-1 and C-3 zones to be consistent. She concluded by stating that it was the recommendation of the Planning and Environment Commission that the City Council introduce the proposed ordinance and approve the accompanying negative declaration.

ORDINANCE NO. 2014-3; AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LAKEWOOD AMENDING THE LAKEWOOD MUNICIPAL CODE PERTAINING TO THE SALE OF ALCOHOLIC BEVERAGES FOR OFF-SALE CONSUMPTION FROM LOCATIONS LESS THAN 6,500 SQUARE FEET IN AREA, FOR ON-SITE CONSUMPTION IN CONJUNCTION WITH ALCOHOLIC BEVERAGE MANUFACTURING IN THE M-1 (LIGHT MANUFACTURING) ZONE, AND FOR ON-SALE LICENSES IN THE C-1 AND C-3 ZONES

Council Member Croft clarified with Ms. Southwell that the microbrewer could offer tastings, but could not sell food or alcoholic beverages other than those manufactured on site.

Responding to questions from Vice Mayor Wood, Ms. Southwell stated that although the new provisions would allow customers to purchase samples of different types of beer to consume on-site, the intent was to sell beer to take home.

1.1 • SALE OF ALCOHOLIC BEVERAGES - Continued

City Attorney Steve Skolnik advised that the intent was to bring the Municipal Code more into line with the types of licenses issued by ABC.

Mayor Rogers opened the public hearing at 7:57 p.m. and called for anyone in the audience wishing to address the City Council on this matter. There was no response.

COUNCIL MEMBER DUBOIS MOVED AND COUNCIL MEMBER CROFT SECONDED TO CLOSE THE PUBLIC. UPON ROLL CALL VOTE, THE MOTION WAS APPROVED:

AYES: COUNCIL MEMBERS: Croft, DuBois, Wood, Piazza and Rogers

NAYS: COUNCIL MEMBERS: None

Council Member Piazza complimented staff on the research and work on this issue. He expressed his concern that the limitations did not provide enough flexibility and might prevent certain unique businesses from locating in Lakewood, even if the business was a desirable one. He inquired if there was a way to differentiate so that a deli-type business was not classified in the same manner as a liquor store or convenience store.

Ms. Southwell clarified that the proposed regulations would not impact a restaurant business that was offering alcoholic beverages for consumption on site, but only off-sale transactions for consumption off-site.

Mayor Rogers noted that it would be very difficult to word the Code to differentiate uses and suggested that a code amendment could be brought before the City Council should a unique type of business want to locate in Lakewood.

The City Attorney presented several options, including separating the issues in the ordinance to allow the City Council to adopt the uncontested portions.

Council Member Croft confirmed from the City Attorney that the City Council could choose to adopt the ordinance as presented and bring an amendment at a later date.

Responding to a question from Council Member DuBois, the City Attorney advised that the distinction between amending the proposed ordinance now or later was insignificant. He did note however, that by adopting the ordinance now, the moratorium currently in place would be ended.

Mayor Rogers stated that although more study on that aspect of the ordinance was clearly needed, he felt it was not good for business to operate under a moratorium any longer than necessary and regulations should be put into place.

Vice Mayor Wood stated that he agreed that it would be preferable to go forward and introduce the ordinance to put regulations into place and make necessary amendments later.

1.1 • SALE OF ALCOHOLIC BEVERAGES - Continued

Mayor Rogers stated that he wished to form a City Council ad hoc committee to work with staff on possible amendments. He appointed Council Member Piazza and Vice Mayor Wood to the committee.

COUNCIL MEMBER CROFT MOVED AND COUNCIL MEMBER DUBOIS SECONDED TO INTRODUCE ORDINANCE NO. 2014-3 AND APPROVE THE RELATED NEGATIVE DECLARATION. UPON ROLL CALL VOTE, THE MOTION WAS APPROVED:

AYES: COUNCIL MEMBERS: Croft, DuBois, Wood, Piazza and Rogers

NAYS: COUNCIL MEMBERS: None

1.2 • ADMINISTRATIVE CITATION PROCEDURES

The Director of Community Development displayed slides and gave a presentation based on the memo in the agenda. She stated the City Council's Public Safety Committee had considered the proposed amendment to the Lakewood Municipal Code relating to the Administrative Citation procedures. She reported that the current process for issuing administrative citations for Code violations included a 21-day waiting period which encouraged procrastination in compliance and more expensive procedure through the court system. The proposed ordinance would eliminate the waiting period, make fines due upon issuance of citations, and clarify the appeal hearing procedure. It was the recommendation of staff that the City Council introduce Ordinance No. 2014-4; adopt the related Negative Declaration; and accept and file the Administrative Citation Process Standard Operating Procedures as submitted.

ORDINANCE NO. 2014-4; AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LAKEWOOD AMENDING CHAPTER 9 OF ARTICLE IV OF THE LAKEWOOD MUNICIPAL CODE REGARDING ADMINISTRATIVE CITATIONS

Responding to a question from Council Member DuBois, Ms. Southwell stated that the time period to pay the fine for an administrative citation was laid out in the Municipal Code and was not affected by the proposed changes.

In response to a question from Council Member Piazza, Ms. Southwell stated that the process included advising the resident that a violation existed and giving a warning before a citation was issued.

Council Member Croft stated that during the Public Safety Committee's consideration of the proposed ordinance, it had been made clear that the goal of the whole code enforcement process was to gain compliance, not to punish violators. He noted that the proposed changes were to prevent anyone from "gaming" the system – by waiting until the very last day of the grace period to remedy the violation. He also stated that the Committee had requested a written policy so the process would be clear to both staff and residents.

1.2 • ADMINISTRATIVE CITATION PROCEDURES - Continued

Mayor Rogers stated it was important to maintain the balance between over-zealous enforcement and victimization.

Mayor Rogers opened the public hearing at 8:23 p.m. and called for anyone in the audience wishing to address the City Council on this matter. There was no response.

COUNCIL MEMBER DUBOIS MOVED AND VICE MAYOR WOOD SECONDED TO CLOSE THE PUBLIC HEARING; INTRODUCE ORDINANCE NO. 2014-4; ADOPT THE RELATED NEGATIVE DECLARATION; AND ACCEPT AND FILE THE ADMINISTRATIVE CITATION PROCEDURES. UPON ROLL CALL VOTE, THE MOTION WAS APPROVED:

AYES: COUNCIL MEMBERS: Croft, DuBois, Wood, Piazza and Rogers

NAYS: COUNCIL MEMBERS: None

1.3 • PURCHASE OF SIX ADA-COMPLIANT MINIVANS

Administrative Services Director Diane Perkin gave a report based on the memo in the agenda and stated there were Proposition C funds available for the purchase of new, ADA-compliant minivans to be utilized for the DASH transit program. She displayed a slide of the proposed vehicle and advised that the purchase could be made through the CalACT/MBTA Purchasing Cooperative Contract. It was the recommendation of staff that the City Council authorize the purchase of six ADA-compliant, 2014 Braun Entervans from Creative Bus Sales in the amount of \$276,532.44.

Council Member Croft noted that the proposed vans would be easier to maneuver and more flexible for smaller passenger loads. He inquired about the disposition of the existing DASH buses. Ms. Perkin responded by stating that three of the existing buses would be put up for auction.

Mayor Rogers opened the public hearing at 8:26 p.m. and called for anyone in the audience wishing to address the City Council on this matter. There was no response.

VICE MAYOR WOOD MOVED AND COUNCIL MEMBER PIAZZA SECONDED TO AUTHORIZE THE PURCHASE OF SIX MINIVANS AS SPECIFIED IN THE STAFF REPORT. UPON ROLL CALL VOTE, THE MOTION WAS APPROVED:

AYES: COUNCIL MEMBERS: Croft, DuBois, Wood, Piazza and Rogers

NAYS: COUNCIL MEMBERS: None

1.3 • PURCHASE OF VACUUM SYSTEM TRAILER

The Director of Administrative Services displayed a slide and made a presentation based on the report in the agenda. She stated that the Water Resources Department had budgeted funding for the purchase of a Vacuum system trailer to support operations and comply with stormwater regulations. She reported that since bid packages had been distributed to three potential vendors with no response, the Purchasing Officer had requested and received two quotes for the equipment. The lowest quote had failed to meet specifications and upon demonstration, was deemed unsuitable. It was the recommendation of staff that the City Council authorize the purchase of one vacuum system trailer from Pacific Tek in the amount of \$52,320.

Responding to a question from Council Member Croft, Water Resources Director Jim Glancy stated that the equipment was necessary in response to new stormwater regulations which required site clean up with no sediment or runoff.

Mayor Rogers opened the public hearing at 8:30 p.m. and called for anyone in the audience wishing to address the City Council on this matter. There was no response.

COUNCIL MEMBER CROFT MOVED AND COUNCIL MEMBER DUBOIS SECONDED TO CLOSE THE PUBLIC HEARING AND AUTHORIZE THE PURCHASE AS RECOMMENDED BY STAFF. UPON ROLL CALL VOTE, THE MOTION WAS APPROVED:

AYES: COUNCIL MEMBERS: Croft, DuBois, Wood, Piazza and Rogers

NAYS: COUNCIL MEMBERS: None

3.1 • ABC UNIFIED SCHOOL DISTRICT TRUSTEE AREAS

Council Member Croft, noting the ABC Unified School District was moving from at-large elections to a trustee area system to comply with a legal challenge under the California Voting Rights Act, stated he had requested the placement of this item on the agenda because he felt strongly that the City Council needed to take an official position on the issue. After attending the hearing regarding the proposed boundaries for trustee areas at which three different plans had been presented, he stated that of the 45 speakers at the hearing, most had been in favor of Plan C, which would appear to be the best choice for Lakewood residents. The Plans divided the district into seven trustee areas using specific criteria including that the City of Hawaiian Gardens remain wholly within one area; communities of interest be kept intact; areas follow existing election precinct lines; division of school sites; and have approximately the same number of voting age residents. He noted that the Lakewood portion of the District was too large to be contained within a single trustee area. He reported that subsequent to the hearing, three additional Plans had been proposed, including two variations on Plan C, titled C.I and C.II. He stated that Plan C.I would be the worst, most divisive option for Lakewood residents and appeared to have been created to provide separate areas for two incumbent Board Members, while Plan C.II was not as good a distribution of schools.

3.1 • ABC UNIFIED SCHOOL DISTRICT TRUSTEE AREAS - Continued

Vice Mayor Wood stated that he had also attended several meetings, including the three-hour hearing on the original three plans, which were now six plans. He also stated that he was troubled to hear Lakewood referenced at the hearing as an “appendage” to the District and not a community of interest. He expressed support for Plan C, which included all Lakewood schools within the District. He concluded by stating that he also felt the City Council needed to take a stand against Plan C.I and that a letter expressing the City’s position be sent to the District and to each Board Member.

Lynda Johnson, Board Vice President of the ABC Unified School District, stated that maintaining communities of interest was an important part of the process. She also stated that she did not yet support any one particular plan and was in attendance to listen. She concluded by stating that she was hearing that the City Council wanted to keep Lakewood as intact as possible and that it was her intent to vote for the map that would best serve all the residents of the District.

Mayor Rogers stated the he was never happy to hear that Lakewood residents were being disenfranchised and that he would like to see as much of the City contained within a single trustee area as possible.

Council Member DuBois also expressed the desire to stand up for the City’s residents by taking a position on this matter, and to work to ensure that the Lakewood students were represented properly.

COUNCIL MEMBER CROFT MOVED AND VICE MAYOR WOOD SECONDED TO SEND A LETTER TO THE ABC UNIFIED SCHOOL DISTRICT BOARD STATING THE CITY OF LAKEWOOD’S POSITION THAT THE CITY BE KEPT WHOLE AS A COMMUNITY OF INTEREST, TO THE DEGREE ALLOWABLE BASED ON POPULATION, WITH A PREFERENCE FOR THE “PLAN C” MAP OR THE “PLAN C.II” MAP AND EXPRESSING DEFINITE OPPOSITION TO “PLAN C.I” UPON ROLL CALL VOTE, THE MOTION WAS APPROVED:

AYES: COUNCIL MEMBERS: Croft, DuBois, Wood, Piazza and Rogers

COUNCIL AGENDA

May 13, 2014

TO: Honorable Mayor and City Council

SUBJECT: Justice Assistance Grant Program Funding for Criminal Abatement Team

INTRODUCTION

For the last several years, a portion of the city's Crime, Public Nuisance and Property Abatement Team was funded by the Edward Byrne Memorial Justice Assistance Grant (JAG) program. Each year the Federal government establishes the amount of dollars provided for this program.

STATEMENT OF FACTS

The City has been notified that we may claim an entitlement grant of \$20,137 from the Justice Assistance Program and that funding for the deputy on the Abatement Team is an eligible expenditure. The Abatement Team's mission is to identify and "clean up" nuisance single and multiple family housing units and businesses creating a haven for criminal activities. They also address properties that are unsightly, with residents who disturb the peace and safety of Lakewood neighborhoods. The special assignment deputy is a key member of this team and a portion of the contract cost of this deputy can be offset by this grant.

The JAG program requires the City Council to hold a public hearing on the expenditure of these funds and have a 30-day period whereby comments may be received on this use of grant funds. If the City Council acts and conducts the hearing at this meeting, we will satisfy the required review period on June 12, 2014.

RECOMMENDATION

Staff recommends the City Council approve the submittal of the JAG Program funding for the Crime, Public Nuisance and Property Abatement Team deputy; receive public comment on this grant and accept these comments in the City Clerk's office until June 12, 2014; authorize the City Manager to apply for the grant and forward any additional public comment at the end of the review period; and direct the Director of Administrative Services to appropriate \$20,137 in the 2014 JAG grant fund when the grant is awarded.

Reports

TO: The Honorable Mayor and City Council

SUBJECT: AB 2189 (Garcia) Water Replenishment Districts Replenishment Assessment Update

INTRODUCTION

AB 2189, authored by Assembly Member Cristina Garcia, attempts to clarify the process for public notice and majority protest regarding changes in establishing charges related to extraction of groundwater in the Central and West Coast Groundwater Basins. AB 2189 would amend Section 60305 et seq. of the California Water Code which governs the actions of the Water Replenishment District of Southern California (WRD). The WRD is currently in litigation regarding this process.

STATEMENT OF FACT

AB 2189 (Garcia) Water Replenishment districts: replenishment assessment would revise specified provisions to conform the act to Article XIII D of the California Constitution. The bill would require the governing board of each water district to make the specified findings and determinations before holding the public hearing and would require the board to give written notice by mail to operators of water-producing facilities within the district that would be subject to the proposed replenishment assessment, as specified. By requiring the board to make the specified findings and determinations at an earlier date, this bill would increase the duties of local officials and would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

AB 2189 had its first reading before the Committee on Local Government on Wednesday, April 30, 2014. The Local Government Committee voted 5-1 (with 3 members not voting) to pass AB 2189 and referred the bill to the Appropriations Committee. The City opposed the bill as written but offered the following amendments to garner Lakewood's support:

- Change language to clarify the affected parties by removing the reference to water producing facilities and inserting "per acre-foot of water produced" to recognize the volumetric method of imposing the replenishment assessment;
- Include language that excludes the production of stored water exempt from the replenishment assessment pursuant to a court order to recognize that stored water is not subject to the replenishment assessment and therefore should not be weighed for purposes of protests; and
- Delete language regarding the calculation of the replenishment assessment which infers that the cost of potential or future services cannot be included in the assessment to avoid confusion as to permissible funding of long-term projects;

Assembly Committee on Local Government members communicated their concerns about passing legislation that may conflict with ongoing litigation. Assembly Member Garcia made an effort to address those concerns, but it is a point that would benefit from reiteration during review by the next Committee. To date, the Appropriations Committee has not scheduled a hearing.

SUMMARY

The most recent version of AB 2189 as amended on April 22 does not contain all the changes requested by the Gateway Cities Committee. We understand additional amendments are pending and hope the next amended version will contain all Gateway recommended changes. The Appropriations Committee may hear this bill as early as May 14.

RECOMMENDATION

It is recommended that the City Council direct staff to continue to work with Assembly Member Garcia's staff to incorporate additional amendments to AB 2189 to garner full support and if amended prepare a letter of support from the City Council.
