Power Barre Fitness

Power Barre is a smooth flowing workout that will tone your entire body along with improving balance and flexibility. Nonstop movements are performed at two tempos; the faster intervals burn fat, the same motions at a slower pace build lean muscle. The method is influenced by classical dance and though it is not a dance class, it will give you a dancer's body. A bar is used to achieve optimum positioning, 1 or 2 lb. weights for the arms, along with an 8 inch soft ab ball which will give your abs the shape you desire. Master Cynthia has helped countless women reshape their bodies. Visit her website at www.jgparks martialarts.com. Instructor: Master Cynthia Markopulos, 4th Degree Black Belt
