

## WELCOME TO THE CITY OF LAKEWOOD'S VIRTUAL TRAVEL GUIDE

Welcome to the City of Lakewood's Virtual Travel Program! We all know that the COVID-19 pandemic has limited our in-person social, recreational, leisure, and cultural experiences with quarantining, social distancing and venue closures. That has been no exception for the City of Lakewood's day travel program.

Until venues are allowed to reopen and we are able to bring back our day trips, we are happy to provide our community with links to some Southern California venues providing virtual experiences with online tours, educational programming, online performances, interviews and many other unique opportunities. We hope you take advantage of many of the free or low cost opportunities on these venue websites.

### Cirque du Soleil

Cirque du Soleil has a special CirqueConnect Content Hub where you can access content all in one place. With this content hub, Cirque du Soleil is offering the public an escape from everyday life through the delight and whimsy of their shows. Now, more than ever, they wish to do a little part to spread joy directly to your safe places and welcome you into their world where awe-inspiring show footage and fan favorite videos will transport you. To access the content hub, click on the link below.

### Grammy Museum

The Grammy museum is offering the public multiple online opportunities. **Exhibits at Home** offers online viewers different exhibits from their archives and is updated each Friday. **Programs at Home** allows the viewer to watch conversations with musicians and music industry professionals. **Education at Home** allows the online viewer access to Grammy in the schools with mini-lessons online – perfect for your child's distance learning. You can also access free online livestream concerts. Enjoy one or all of these wonderful free opportunities by clicking on the link below.

### Peterson Automotive Museum

You have access to exclusive content of the Peterson Automotive Museum by visiting their own YouTube page. The Official Peterson Car Week, the world's largest automotive event is online now. You can experience the museum's Ultimate Collection tours featuring some of the world's rarest cars or take a virtual vault tour that highlights the museum's vault deep underground that takes up an entire city block. The Peterson also features rare, unseen archival videos. All of these experiences are free or ask for a small donation. Visit the museum's YouTube site by clicking on the link below.

### Ronald Reagan Presidential Library

The Reagan library offers online opportunities to listen to podcasts, watch webcasts, register for upcoming events featuring leading political figures, writers and commentators, and view recordings of past events. All of these online programming opportunities are free. Visit the Reagan Library's web page link below to decide which programs would be of interest to you.
