

Lakewood Catalytic Converter Theft Prevention Rebate Program

Program Information

The City of Lakewood is offering residents the opportunity to receive rebates related to catalytic converter theft prevention measures. The rebate program is offered on a first come, first served basis, to Lakewood residents who purchase and install an anti-theft catalytic converter security device on, or after, July 1, 2024. All rebate opportunities are open to all city residents. Rebates are available until program funding is expended – apply early for best opportunity at receiving a rebate.

Available Rebates

Lakewood residents may be eligible to receive up to (2) of following rebates:

1. \$150 rebate for purchasing and installing any of the below eligible catalytic converter anti-theft devices:
 - i. Catalytic Converter Protection Shield
 - ii. Catalytic Converter 'CatClamp' style lock
 - iii. Catalytic Converter Wrap-style device

Program Eligibility

Each applicant must meet the following requirements:

1. Reside in the City of Lakewood and have a valid government issued ID displaying your City of Lakewood residential address.
2. Have a current utility bill (water, electricity, gas, phone) registered in your name to your City of Lakewood residential address, matching the Lakewood address on your valid government issued ID. Your utility bill must be dated no sooner than 60 days before the date you submit your application.
3. Have proof of current vehicle registration, matching your name and residential Lakewood address on your current government issued ID, showing vehicle's license plate and VIN.
4. Personally own the vehicle in which the catalytic converter anti-theft device was installed.

Catalytic Converter Theft Prevention Rebate Requirements

To be eligible for a catalytic converter theft prevention rebate, each catalytic converter theft prevention device must meet the following requirements on or after July 1, 2024:

- Each device must have a minimum purchase and installation cost of \$150.00 or greater, pre-tax
- Each device must be installed onto the vehicle
- Vehicle with the catalytic converter anti-theft device installed has current vehicle registration tabs displayed on its license plate
